

# Spare parts list

Membrel MKIV

## Categories explanation\*

**Wear & Tear:** Spare parts that should be replaced periodically on maintenance and service; listed with recommended replacement frequencies in month.

**Strategic:** Recommended spare parts on site for clients needing high availability all the time, facing no delays due to transportation or customs.

**Optional:** Spare parts that should not break, listed for completeness.

**Please note:** In case maintenance and service is not fulfilled according to manual's instructions, warranty claims can not be accepted. Our spare parts deliveries are usually delivered with DHL express.
